Remarks:

The Ontario One Call members who have underground infrastructure in the area of your excavation site have been notified and their status is noted below:

These members have been removed due to the relocate:

Note: -C = Cleared, -S = Suppressed, -L = Lookup center cleared, -A = Alternate Locate,
-R = Existing locate valid - maintain marks

IMPORTANT INFORMATION:

DEFINING 'NC' - NON-COMPLIANT

- Non-compliant members have not met their obligations under section 5 of the Ontario Underground Infrastructure Notification Act. ON1Call has notified these members to ensure they are aware of your excavation. In this circumstance, should the member not respond, the excavator should contact the member directly to obtain their locates or request a status. ON1Call will not be provided with a locate status from the member regarding this ticket and therefore, cannot provide further information at this time. For locate status contact information please refer to our website.

YOU HAVE A VALID LOCATE WHEN...

- You have reviewed your locate request information for accuracy. CONTACT Ontario One Call (ON1Call) IMMEDIATELY if changes are needed and obtain a corrected locate request confirmation.
- You have obtained locates or clearances from all ON1Call members listed in this ticket before beginning your dig.

YOU'VE MET YOUR OBLIGATIONS WHEN...

- In addition to this locate request, you have DIRECTLY contacted all owners of infrastructure who ARE NOT current members of ON1Call (such as owned buried infrastructure on private property), as well as arranged for contract locates for your private lines on your private property - where applicable. For a list of locate status contacts visit www.on1call.com.
- You respect the marks and instructions provided by the locators and dig with care; the marks and locator instructions MUST MATCH.
- You have obtained any necessary permits from the municipality in which you are excavating.

WHAT DOES (-C) MEAN?

1. The information that you have provided about your dig will not affect that member's underground infrastructure OR,
2. The member has identified that they do not have buried infrastructure in the immediate area and wish to inform the excavator by providing a (-C).

IF THE (-C) IS NOT PRESENT:

- Not all members of ON1Call identify the absence of infrastructure in their registration with ON1Call, in which case the member's name will not appear on your request confirmation. The absence of (-C) indicates the ON1Call system has returned no results for the presence of a particular member's infrastructure in the immediate vicinity. See www.on1call.com for a current list of locate status contacts.
